Team Registration (10/10)

Registration for one team of (10) for the 4th Annual IICF International Step Up Challenge

4th Annual IICF International Step Up Challenge

About this Event

The Insurance Industry Charitable Foundation (IICF) invites you to join us as we promote Kindness Around the World through team building, mental and physical wellness and friendly competition by participating in the 4th Annual IICF International Step Up Challenge! This unique 4-week exercise challenge is designed to raise vital funds for vulnerable children and families - while getting fit and healthy!

The top two teams and top two individuals will have the opportunity to designate a grant to their charity of choice. Please note for team competitors, total steps will be based upon an average so that teams of smaller sizes will not be at a disadvantage.

The prizes are as follows:

- 1st Prize Individual Winner: \$1,000 to nonprofit of choice
- 1st Prize Team Winner: \$1,000 to nonprofit of choice
- 2nd Prize Individual Winner: \$500 to nonprofit of choice
- 2nd Prize Team Winner: \$500 to nonprofit of choice

*Using the Step Up software, steps are automatically tracked using a device of your choice. Participants can also track a wide variety of activities to be converted to steps. You can view a full listing of compatible devices on our Step Up website.

Participants must register in the app prior to the April 25th start date in order to have their steps tracked accurately. Registrants may join the challenge late, up until May 2nd. If you join the challenge late, you will receive zero steps for the previous days of the challenge. After May 2nd, you may no longer join the challenge.

If you have any issues or questions regarding the IICF Step Up Challenge, please contact Bree Wiley at bwiley@iicf.com

This is your e-ticket issued via **Giveffect**. If you have any trouble, please email apanoian@iicf.com with reference #25043-1848
